

Surgical Trauma Clinical Fellowship

Application Deadline: November 15, 2020

Start Date: July 1, 2021

The Hospital for Sick Children in Toronto, Canada is currently accepting applications for our 1 year Surgical Trauma Clinical Fellowship.

Fellowship Overview

The Surgical Trauma fellow is an integral member of the interdisciplinary trauma team. The Surgical Trauma fellow responds to trauma activations. They provide comprehensive care to traumatized patients from trauma room through final disposition and handover to admitting service. The trauma fellow coordinates clinical care to admitted patients on the trauma unit. They have a role in pre-hospital transfers. They sit on the Trauma Program Management Team which oversees the trauma service at the hospital. They are responsible for organizing quarterly interprofessional trauma rounds. The trauma fellow has a key role in the trauma simulation program and is encouraged to participate in our mass casualty preparedness initiatives. There is opportunity to do research utilizing the available trauma registry.

Qualifications

Candidates must have completed their Adult General Surgery or Pediatric Surgery training.
