

Join us at the
11th Pediatric Colorectal Congress
December 6 - 8, 2018
Nijmegen, The Netherlands.

The congress will be multidimensional, with live surgery broadcasts, complex surgical cases, hands-on training, innovations in pediatric surgery and more. Sessions, adjusted to the audience, from residents and fellows to expert pediatric colorectal surgeons and urologists. There will be a separate program on December 7th for nurses and physician assistants.
