

# 17<sup>th</sup> Congress of Hungarian Association of Paediatric Surgeons

**H A P S**

**With International Participation**

**9–11 September, 2021**  
**Pécs, Hungary**

## Dear Colleagues and Friends,

On behalf of the Hungarian Association of Pediatric Surgeons (HAPS), we are honored to invite you to our upcoming 17<sup>th</sup> Congress of HAPS – Including International Participation, which is planned for 9–11 September, 2021, Pécs, Hungary.

The Congress of HAPS including international participation offers attendees a unique opportunity to meet our distinguished guests, several of which are coming from various countries throughout Europe and elsewhere. Another reason to see to Pécs, Hungary, is the well-known saying attributed to Andrew Pinter, *“The Hungarian meetings are not better or worse than any other meetings, but they are different...”* We are determined to continue this honorable tradition while celebrating our intense heritage!

The primary topics in support of the congress will cover all major fields of pediatric surgery including newborn and colorectal surgery, urology, minimally invasive surgery and trauma. We are optimistically hopeful, despite the pandemic situation regarding 2020–2021; we also will enjoy various lectures presented by a host of international experts, live and in person!

Admirably, Pécs is a multicultural city with a special mixture of both Mediterranean and European flavors, colors and impressions. This lovely and friendly city elicits a genuinely warm atmosphere, the ideally sublime venue in which to host our Congress while offering attendees ample time and opportunity to relax, rekindle old friendships and make new friends following our fast-paced scientific program.

We look forward to seeing you in Pécs!

**Péter Vajda**  
Congress Chairman

**Attila M. Vástyán**  
President of HAPS
