Dear Colleagues,

The European Pediatric Surgeon's Association (EUPSA) has the pleasure to announce the 14th Central & Eastern European Course in Pediatric Surgery on the topic of "Minimally Invasive Pediatric Surgery and Urology" in Prishtina, Kosovo.

Challenges exist for pediatric surgeons with regards to the variations in urology pathologies. The present meeting will focus on various aspects that include diagnosis and treatment of upper and lower urinary tract in children. The 14th Meeting is envisaged to provide an excellent overview through lectures given by experts. The Course also includes ample discussion time to interact with the faculty. The European Pediatric Surgeon's Association (EUPSA) along with the local organization team from Prishtina, Kosovo welcomes you to Kosovo for the 14th Central & Eastern European Course in Pediatric Surgery!
